

# MICHELLE BUI

UI/UX Designer | Product Design | UX Research | UI Visual Design  
(714) 867-4619 | michelle.bui@sjsu.edu | Portfolio: [www.michelleminhbui.com](http://www.michelleminhbui.com) | San Jose, CA

## PROFESSIONAL SUMMARY

---

UI/UX Designer and MDes candidate with 4+ years of experience designing enterprise and healthcare applications. Skilled in end-to-end product design including user research, usability testing, information architecture, and high-fidelity prototyping. Experienced working as the sole designer within Agile cross-functional teams. Passionate about creating accessible, user-centered experiences that improve outcomes for users.

## SKILLS

---

**Design Competencies:** Wireframing, Low- to High-Fidelity Prototyping, Design Systems, Component Libraries, Visual Design, Responsive Design, Interaction Design

**UX Research:** User Interviews, Usability Testing, Journey Mapping, Information Architecture, Heuristic Evaluation, Competitive Analysis, Affinity Mapping, Feedback Synthesis

**Accessibility:** WCAG 2.1 AA, Accessible Design Patterns, Screen Reader Compatibility, Color Contrast Auditing

**Collaboration:** Agile/Scrum, Stakeholder Presentations, Developer Handoff, Cross-Functional Communication, Design Documentation

## WORK EXPERIENCE

---

**UI/UX Designer** | Palisaid, Remote

*Aug 2021 – Aug 2025*

- Led end-to-end UX design for enterprise healthcare software, covering discovery research, wireframing, and production-ready high-fidelity prototypes in Figma.
- Planned and facilitated 20+ user interviews and moderated usability testing sessions; synthesized findings into prioritized design recommendations that reduced workflow friction for clinical users.
- Built and maintained a scalable component library and design system, improving visual consistency across product modules and streamlining developer handoff.
- Partnered with engineers, product managers, and clinical stakeholders in Agile sprints to translate complex healthcare workflows into intuitive, accessible, user-centered interfaces.

**QA Assistant** | Pyramid Laboratories, Costa Mesa, CA

*Apr 2023 – Aug 2024*

- Audited and maintained compliance documentation, applying a user-centric approach to improve clarity and navigability of internal quality records.
- Streamlined digital workflows and record-keeping processes, reducing manual steps and improving cross-team access to documentation.
- Collaborated with multidisciplinary teams to identify, document, and resolve quality issues, strengthening cross-functional communication and analytical skills.

**Project Assistant Intern** | SolarMax, Riverside, CA

*Sept 2019 – Mar 2020*

- Designed and revised digital content and visual presentations for LED product lines, applying early design skills to client-facing materials.
- Coordinated logistics and cross-department communication for municipal projects, building stakeholder management and organizational skills.

## EDUCATION

---

**Master of Design (MDes), UI/UX Focus** | San Jose State University, San Jose, CA

*Expected May 2027*

**Bachelor of Arts, Business Economics** | University of California, Riverside, CA

*June 2020*
